### SOME IMPORTANT THINGS YOU SHOULD KNOW ABOUT THIS OFFER:

If your Free Product Credit\* is over \$75, you can still use the rest towards free product! Please note: Free Product Credit of *less than* \$75 may not be split – it must be spent in its entirety on either free product OR towards a Business Success Kit™. It may not be used for both offers. Hostesses who take advantage of this offer are still eligible for all other Hostess Benefits (e.g. half-price items) and monthly Hostess Specials.

To take advantage of this offer, you must make your decision known to your Consultant *before* the Consultant submits your Party Order to Home Office. Additionally, you must purchase your Kit *within the 4 days after* your Party Order is submitted. If you choose to take advantage of this offer, but do not purchase the Kit within the specified time frame, you will not be reimbursed for your Free Product Credit.

\* Free Product Credit is one of the benefits earned by a Hostess for hosting an Epicure Tasting Party™. Free Product Credit comprises 10%, 15% or 20% of the qualified Party's total sales (as applicable) PLUS \$20 credit from a Future Booking Certificate (if applicable).
